

## PROBLEMS

The customer was using another **Brand** belt on their existing drive and is facing the following problems:

- **Stretched** belt
- **Severe** Vibration
- **Short** belt lifetime (around 2-4 weeks)

## RECOMMENDATIONS

- Recommended the customer to use **optibelt Delta Chain**.
- Installed using Optibelt recommended practices, procedures and tension.

## BENEFITS

The **optibelt Delta Chain** solution provided the customer with the following advantages:

- **Longer** belt lifetime
- **No Re-tension** needed for the drive
- **Increased** Service Factor from 0.71 to 3.43
- **Reduced** cost for maintenance

Brand	Average Belt Life Span
Other Brand	<b>2-4 Weeks</b>
<b>optibelt Delta Chain</b>	<b>3 Years</b> (and running in good condition)

**WE ARE THE ONLY COMPANY THAT OFFERS WARRANTY FOR OUR PRODUCTS.**

IT PERFORMS OR WE'LL REPLACE IT:
